

Dr. Michael von Forstner

Dr. Michael von Forstner is a citizen of Switzerland and Austria and holds an MSc in biochemistry from TU Graz, a PhD in biochemistry from ETH Zurich and an MPH from the London School of Hygiene and Tropical Medicine. During his career, he worked in various roles in academic and pharmaceutical industry research and development. Since 2007 his focus has been on pharmacovigilance and pharmacoepidemiology. Besides his line roles, Michael is representing the European biosimilars industry in different working groups of the EMA and the ICH. His current position is Head of Global Safety Science at Swedish Orphan Biovitrum (SOBI) in Basel, Switzerland. Next to his work in the advisory board of Crearene G, Michael also serves on the Board of Directors of start-ups in the areas of digital medicine and artificial intelligence in healthcare.
