

## **KD Dr. med. Michael Möddel**

The Swiss-German nephrologist and internal medicine specialist completed his PhD in medicine in 1991 after studying in Germany, the UK, Switzerland, China and the US. Since 2005 he serves as the dialysis section head of "Klinik Im Park", one of Switzerland's most recognized and well-known clinics. He also lectures in medicine at Zurich university which awarded him the title of clinical lecturer (KD) in 2007. Besides his clinical work he provides expert witness assessments on medical issues. Michael Möddel is the co-inventor of one of Crearene's patents.
